2023 Rate Schedule

Rate: SECURITY LIGHTS			Rate Number 679
Rate Class: 6 – Security Lights	Rate Cycle: 679	Approved: December 20, 2022	Page 1 of 1

Availability

Metered security lights are billed in conjunction with the service to which they are connected. Unmetered security lights may also be employed on the same meter pole as an exiting service and are also billed in conjunction with that service. Stand-alone security lights will be unmetered and are available at the discretion of Midwest.

Type of Service

Single-phase, sixty (60) Hertz, alternating current, at available secondary voltages.

Usage Calculation

The usage for metered security lights is billed with the rest of the usage for the associated service. The usage for unmetered security lights is included in the Facility Charge for the light.

Rate

Billed monthly

Facility Charge - Metered\$ 4.39
Facility Charge - Unmetered.....\$ 10.00

Terms of Payment

Payment is due on the 25th of the month following the period for which the bill is calculated. If the 25th falls on a weekend or holiday, the due date will be the next business day after the 25th. A late charge of \$10 or 10%, whichever is greater, will be assessed on any account not paid on or before the due date. In addition, accounts still owing a balance at month end will be charged an additional 1.33% interest (interest is not charged on the penalty charges).
